CONFERENCE ON ECONOMIC CO-ORDINATION IN EMU
Friday 28th and Saturday 29th June

DEPARTMENT OF ECONOMICS
COLLEGE OF EUROPE, BRUGES (BELGIUM)

The Department of Economics of the College of Europe located in Bruges, Belgium, is organising an experts' conference on "Economic Co-ordination in EMU". The conference will cover the macroeconomic (budgetary policy, optimal policy mix), microeconomic (the Cardiff and Luxembourg processes as well as social and labour market reforms) and institutional aspects of co-ordination.

The conference is open to everyone. The participation fee is EUR 60.00. The registration and payment have to be made by 22 June 2002. The participation fee covers documentation, coffee breaks and a buffet lunch.

Participants other than speakers and discussants will have to make their own arrangements for accommodation and meals. Since Bruges is the cultural capital of Europe this year, hotel room bookings should be arranged well in advance. They can be done through the tourist office (<http://www.brugge.be/toerisme/en/index.htm>).

The complete programme and the application form with payment details are posted on our website: <http://www.coleurop.be/seminars.htm>.
