## DEVELOPMENT OFFICE

Working with Europe

## development office

### Who we are

The Development Office was established in Bruges in 1996 as a service of the College of Europe, one of the longest established and most renowned institutes of postgraduate European studies. Its Bruges office consists of a multinational team with solid experience in managing European and worldwide projects.

### What we do

We offer professional services for and in cooperation with individuals, universities, public bodies, private companies and non-governmental organisations all over the world.

#### **Our portfolio includes:**

- » executive training on EU affairs: our training catalogue, tailor-made courses on demand and e-Learning modules;
- » academic cooperation projects;
- » services for the EU institutions;
- » projects developed in partnership.

### Why work with us

- » tailor-made services from a competent team that is capable of responding to your needs;
- » high-quality results drawing on the expertise of one of the most genuinely European university institutes, founded in 1949;
- » exclusive networking possibilities with EU professionals, professors, alumni and partners.
