## COURSE OBJECTIVE

On the example of the works of the students of the Max Weber Programme at the European University Institute the students of the European Interdisciplinary Studies Programme at the College of Europe (Natolin Campus) will familiarise themselves with the way to conduct a doctoral research in history. The workshops will also reinforce the relations between the Natolin Campus of the College of Europe and the European University Institute.

## COURSE LEARNING OUTCOMES

- Students understand the variety of approaches that can be used in understanding, constructing and interpreting European and global history including concepts and theories derived from the humanities, social sciences, economics and/or law;
- Students encounter and understand broadly conceived topics in European and/or global history;

Further learning outcomes depending on the subject of the given workshop.

## RECOMMENDED PREPARATION

Please consult the selected readings.

## TEACHING METHOD(S)

Workshop.

## ASSESSMENT METHOD AND CRITERIA
