Opening doors to Europe!

Are you a successful graduate looking for a challenging international career focusing on European issues?

Full scholarships for EU Citizens to study the EU and its neighbourhood at the College of Europe

Are you a European Union citizen and successful graduate interested in issues such as the Arab Spring, the Eastern Partnership and the EU's energy security?

Do you want to pursue a career in European and international affairs, international business or national administration dealing with these and other key areas of policy?

Are you ambitious and ready to study intensely in a multinational community of students from more than 50 countries and build a transnational network to last a lifetime?

If so – the oldest and most prestigious institute of European Studies will be of interest to you.

The College of Europe offers top applicants full-scholarships for any of its five postgraduate study programmes.

Students with these scholarships focus their studies on the EU and its relations with its nearest neighbours.

Scholarships include tuition, meals and accommodation in a student residence for the duration of the study programme.
