Working with Europe

The Development Office was established in Bruges in 1996 to develop and manage the College of Europe's professional services, projects and partnerships.

In working with Europe, it relies on and complements the expertise and worldwide network of the College of Europe. The Development Office consists of a multinational team with solid experience in managing European and international projects. It provides professional services for and in cooperation with individuals, universities, public bodies, private companies and non-governmental organisations all over the world.
