In the College, you will be challenged like never before in your life - both academically and socially. In the end, you will ask for more.

João Francisco BARREIROS QUARESMA (Falcone & Borsellino Promotion)

The College of Europe has a large number of full or partial scholarships for students wishing to study at one of its two campuses. Check out coleurope.eu/admission/scholarships

For those with a special interest in the European neighbours, or students coming from the European neighbourhood, we have generous scholarships from the European institutions. Check out coleurope.eu/admission/scholarships/enp-scholarships-graduates-coming-eu-member-states-bruges-campus-and-natolin

French
The College of Europe is a bilingual institution. If you need to learn/improve your French for College of Europe studies please see coleurope.eu/website/study/language-service/language-requirements/improving-french-coming-college
